

Thank You,
LPS Education Foundation
from
Randolph

The LPS Education Foundation grant bought every student at Randolph who qualifies for literacy intervention an i-Ready Reading Instruction License, so they could independently improve their literacy skills during independent work time at school and free time at home.

With the help of the grant from the LPS Education Foundation, at the end of the school year, the vast majority of Literacy Intervention students at Randolph reached their goal of making 100% Typical Growth.

One student made 550% growth!

We had several intervention students this school year who moved up 9 reading levels or more (typical growth is about 4 reading levels per year).

In March, we found out that Randolph had the most literacy growth of all LPS K-4 schools on the i-Ready Reading Assessment!

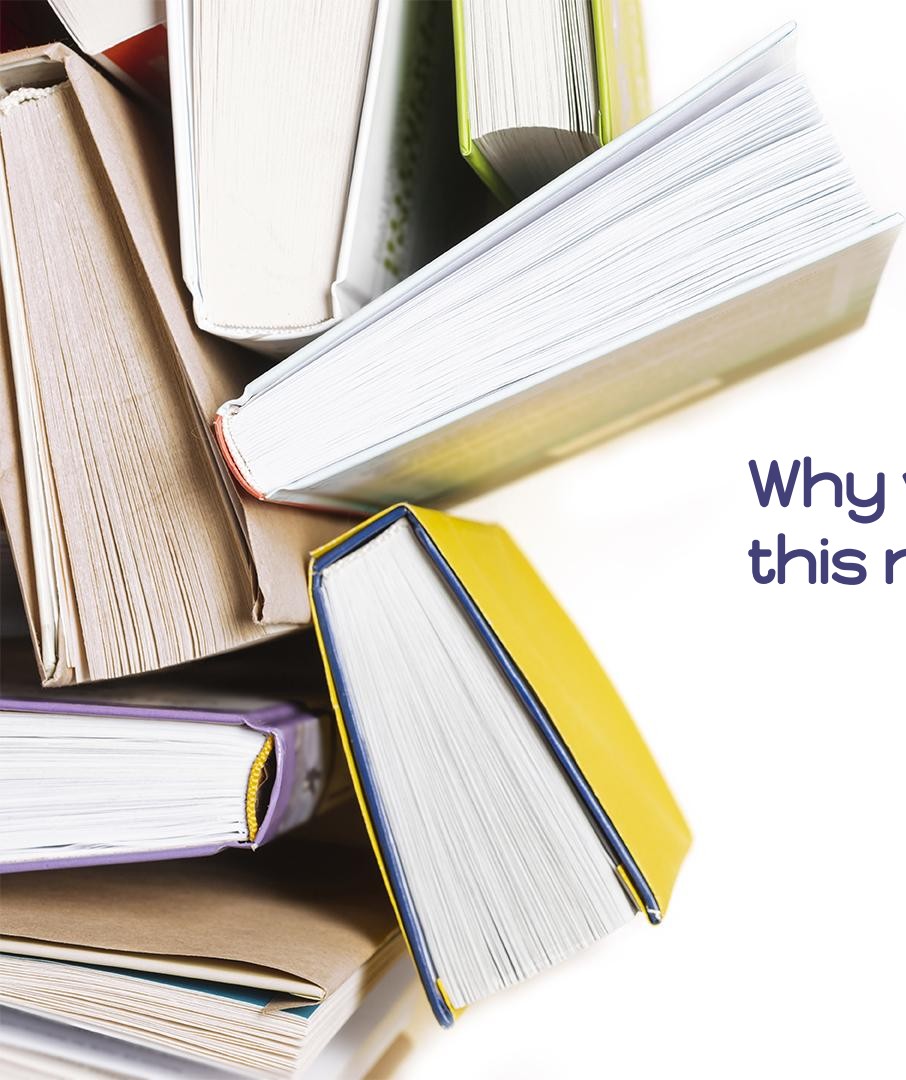

We were even more excited than when you brought us our check (if you can imagine)!

In May, as a whole school,
Randolph reached 139% Typical
Literacy Growth on the i-Ready
Reading Assessment.

The goal for each school is 100%.

Why were we so happy with
this news?

Did you know

1 out of every 4 children in America grow up without learning how to read.

Children who cannot read are at a higher risk of developing anxiety disorders.

Students who struggle to read proficiently by the 3rd grade are 4 times more likely to drop out of school later on in life.

2/3 of students who cannot read proficiently by the end of 4th grade will end up in jail or on welfare.

Randolph Elementary students were given a priceless gift by the LPS Education Foundation.

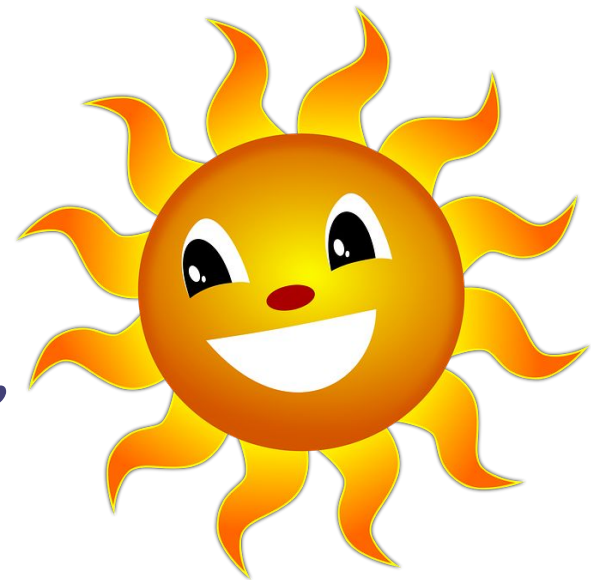

The LPS Education Foundation has helped set Randolph students up for the very best opportunity to reach academic success, and therefore, success in LIFE!

YOU

have helped improve Randolph students'
destiny!

Thank you!

Gratefully,
Jan Bice, Carrienne Braun, Jennifer Clay, & Amy Wehner

Have a great summer!

P.S. We hope that you will consider giving this same grant to Randolph next year. 🙏👉

We cannot imagine a more impactful gift for our students! 🎁

Thanks!
