- At least 10 years have passed since the nominee graduated from a Livonia Public High School.
- The nominee has made noteworthy contributions and achievements in his or her career on a local, regional, national, or international level.

The Distinguished Alumni Award was established in 2022 to honor the accomplishments of Livonia Public Schools graduates who have distinguished themselves as role models, individuals who excel in their professions, or who have made significant contributions to their communities. Distinguished Alumni Award recipients display the characteristics of commitment, effort, leadership, pride and respect. The recognition of graduates who have displayed these character traits will provide current students with positive role models.
